

# Checking Your Grades

## Go to Grades

The **Grades** area is where you can view most all grades and feedback you have received.

You can access **Grades** as a link from the Navbar.

## View Grades

View your individual grades and comments as well as class averages, should your instructor choose to display those items. Only you and your instructor can view your grades.

Final Calculated Grade

Weight Achieved  
98.97 / 100

Grade Item	Points	Weight Achieved	Grade	Comments and Assessments
Quizzes and Contract Addendum		10 / 10		
Quiz #1	10 / 10	2.5 / 2.5		
Discussions		17.33 / 20		
Discussion #1: Primary Source Analysis	9 / 10	9 / 10		Overall Feedback Good work. Here are some things you could improve.
