Please provide the following information:

Student Name:				
Student ID:	A _____	Date:	_____	
Semester:	Fall _____	Spring _____	Summer _____	Year: _____

I would like to request that I be charged the eRate fee, instead of the traditional out-of-state fees.

I understand that the following conditions must be met to qualify for the eRate:

- ✓ I must be enrolled at a Tennessee Board of Regents institution, be classified as a nonresident of Tennessee, and be enrolled exclusively in online or eCampus courses.
- ✓ I must meet all of the admissions requirements of Nashville State Community College.
- ✓ I must be verified as an online, out-of-state student enrolled exclusively in courses delivered online (online or eCampus); does Not include on-campus, virtual, or hybrid.
- ✓ If I am enrolled in any course other than online or eCampus (such as on-campus, virtual, or hybrid), I will not be eligible for the eRate and will instead incur traditional non-resident fees and charges. I further understand that I am financially responsible for payment of these non-resident fees and charges.
- ✓ If I am enrolled in both online and other type courses, and subsequently drop the other type courses, I will not then become eligible for the eRate.

PLEASE NOTE: The request is valid only for the semester in which I am currently enrolled. I must re-apply each semester by the 12th day of classes for the eRate to be applied to my account.
