## Nashville State Community College A.A.S. Degree in Healthcare Management - Medical Coding Concentration

This sequence can be followed by students who begin college-level work in the fall semester. Prerequisites may apply to specific courses; it is the student's responsibility to determine if prerequisites have been met. Additional semesters will be required if prerequisite courses, including Learning Support courses, are not completed. Prior to registering each semester, the student is expected to consult with his/her Academic Advisor.
